

How to integrate your uHoo with AirTeq

1. Open the uHoo app
2. Press the 3 lines on the top left of the screen to open the settings. Press the option 'Integrate'.

3. Select AirTeq B.V. Then press the option share device data. A request will now be send to us.

Once we have accepted your request we will connect the uHoo device(s) to aircheqonline.
